Professional
water treatment

**INNOVATION
SECURITY
CONVENIENCE**

IZZI

- PATENTED INNOVATIVE SOLUTIONS
- INCREASED DURABILITY DUE TO THE USE OF PET RAW MATERIAL
- HYGIENIC REPLACEMENT OF CARTRIDGES THANKS TO THE WATER DRAIN
- QUICK INSTALLATION
- CONVENIENT INSTALLATION - ON THE LEFT OR RIGHT SIDE
- INCREASED WATER FLOW
- "CLICK" SYSTEM PROTECTING AGAINST OVER-TWISTING

Symbol	WF 1 IZZI kpl
Degrees of filtration	1
Dimensions (w/d/h)	14/15/37 cm
Connection	1" male thread
Cartridge size	10"
Maximum working pressure	10 bar
Working temperature	2-35°C
Water flow	2m ³ /h

ENTRY 2 IZZI

- patented innovative solutions
- increased durability due to the use of pet raw material
- hygienic replacement of cartridges thanks to the water drain
- quick installation
- convenient installation
- increased water flow
- "click" system protecting against over-twisting

Symbol	ENTRY 2 IZZI
Degrees of filtration	2
Dimensions (w/d/h)	30/15/37 cm
Connection	1" male thread
Cartridge size	10"
Maximum working pressure	10 bar
Working temperature	2-35°C
Water flow	2m ³ /h

ENTRY 3 IZZI

- patented innovative solutions
- increased durability due to the use of pet raw material
- hygienic replacement of cartridges thanks to the water drain
- quick installation
- convenient installation
- increased water flow
- "click" system protecting against over-twisting

Symbol	ENTRY 3 IZZI
Degrees of filtration	3
Dimensions (w/d/h)	45/15/37 cm
Connection	1" male thread
Cartridge size	10"
Maximum working pressure	10 bar
Working temperature	2-35°C
Water flow	2m ³ /h
